Gifted & Talented

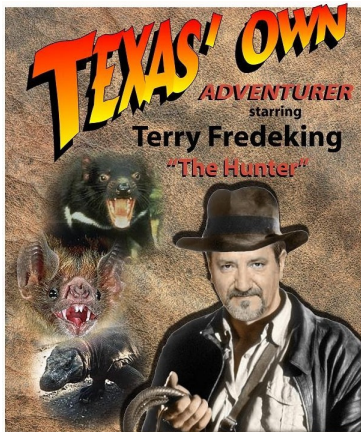

## Joining Together to Present: A PARENT Seminar—Just for You!

We will be having a brief business meeting. Then, we will break into groups to learn about varying topics. Parents and teens are invited to attend! Each mini-session will last 20 minutes. You will be able to attend 4 different sessions. Choose from the following topics:

Perfectionism  
Learning Styles  
Finding College Scholarships  
Advocacy  
Classes for kids at TCC

Bright Kids—Gifted Games  
TAGT Summer Camp Scholarships  
Traits & Treasures/Tried & True  
Spangler Science  
Contests & Competitions

**G/T Books & Games Available for Purchase from Brystone Books!**

## Bring the Kids!

All school age children are welcome to attend a supervised presentation in an adjacent room!

Terry Fredeking, Texas' own Indian Jones of Expeditionary Biology, treks worldwide procuring raw material from animals such as vampire bats, Tasmanian devils, poisonous snakes and Komodo dragons. Terry's unrelenting faith in natural cures leads his company in aiding pharmaceutical companies in research of treatments for a variety of maladies that affect mankind.
